Re: Civil War Commemoration

Dear Attorney Markert:

This is in response to your letters of April 4th and 11th to Dr. Mathew Warshauer and President John Miller, respectively. Thank you for alerting us to the issue regarding the inclusion of a worship service in the agenda for the Civil War Commemoration which is scheduled for this coming weekend. Dr. Warshauer has removed the service from the agenda. Please note that the service will be held in a privately owned church on private property and is not being sponsored by Central Connecticut State University.

Sincerely,

A handwritten signature in cursive script, appearing to read "Carolyn A. Magnan".

Carolyn A. Magnan, Esq.
Special Assistant to the President
