Dear Ms. Markert:

I am in receipt of your March 11 letter regarding the City of Grandville's website including a community value referencing "faith" and the Freedom From Religion foundation's request that this message be removed from the website and no further religious message be disseminated through the website.

Thank you for bringing this matter to my attention. As of the date of this letter the City of Grandville has complied with your request and the City's website no longer contains a page listing the community values including the one referencing faith.

Sincerely,

James R. Buck
Mayor
