Mr. John Satawa

Warren, MI 48093

Dear Mr. Satawa:

It has come to the attention of the Road Commission of Macomb County that you have installed a temporary structure in the median of Mound Road south of Chicago Road in the City of Warren. A search of our records indicates that no permit was issued for this structure to be placed in the Road Commission right of way.

This letter serves as your notice to immediately remove this structure from the right of way. If the removal does not occur within 30 days of the receipt of this letter, the Road Commission forces will remove the structure and bill you for the costs incurred.

If you have any questions regarding this matter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "RPH", with a long horizontal flourish extending to the right.
