## Lake Local Schools

**MISSION:** Providing education to achieve success.

**VISION:** To be the best organization for learning.

**WE VALUE:** Responsibility, honesty, respect, integrity, commitment, belief in God and religious freedom, our community, our partnerships, and every person as a unique individual with the ability to acquire and apply knowledge.

### Performance • Engagement • Stewardship

#### WE ARE:

- Engaging students and staff with  
dynamic learning experiences
- Building a culture of continuous improvement
- Striving to be responsible stewards of resources
- Fostering partnerships and service to others
- Communicating clearly
- Enhancing a culture of safety and wellness
