Dear Ms. Markert,

Thank you for your correspondence dated March 7, 2011. The School Principal, Mr. Bill Holt, has spoken with each Kindergarten teacher concerning the accusation. The investigation did not find anyone who has led their class in prayer.

Mr. Holt has asked each teacher to continue to refrain from leading students in prayer and has asked that teachers not teach the song in question to students at school.

I assume there has been no other complaint. Please make me aware if I may be of further assistance.

Sincerely,
